

Wall lift for XXL format (touch) displays up to 180kg

This floor lift offers thanks to its three columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client. This kit includes the adapter set [MD 052B7288](#).
