

### Single column electric floor lift on wheels with easy mount brackets

An anti-collision, motorized trolley for touch screens up to VESA 800x600mm. This product is unique because of its screen size and easy mount with "pull & release" brackets. This mobile stand with electrical height adjustment provides and silent height adjustment.

The 4-inch muting castor omni directional wheels make it easy and save to move the car around. The integrated screen bracket containing most VESA patterns, making it suitable for almost every display. Max supported display size is 86", max weight is 100kg.

\*Attention: This electric floor lift is not recommended for 75" & 86" displays in large (class)rooms. Particularly in large spaces such as lecture halls with elevated seats or where many people sit in a row, the bottom of the screen may not be sufficiently visible to everyone.
