

Mobile stand with accessories shelf for (interactive) large format displays up to 86"

A robust anti-collision mobile stand designed for large format (Touch) displays from 55" to 86", supporting up to 100kg with VESA mounting up to 800x600mm. Ideal for classrooms, offices, and meeting rooms. The trolley comes with pre-drilled holes for quick and accurate installation. Depending on the size of the display, three mounting positions are recommended to ensure optimal viewing height.

In addition it features smooth-rolling 3-inch omni directional lockable wheels, an integrated media shelf/ accessory tray, and built-in cable management for a tidy setup. The sturdy construction ensures stability during movement and use. Designed for landscape installation (portrait supported for displays up to 700mm wide). Easy to assemble and move, it offers a reliable, flexible solution for modern mobile presentations in any indoor environment.
