

Mobile stand with accessories shelf for (interactive) large format displays up to 86"

A robust anti-collision mobile stand designed for large format (Touch) displays from 55" to 86", supporting up to 100kg with VESA mounting up to 800×600mm. Ideal for classrooms, offices, and meeting rooms. The trolley comes with pre-drilled holes for quick and accurate installation. Depending on the size of the display, three mounting positions are recommended to ensure optimal viewing height.

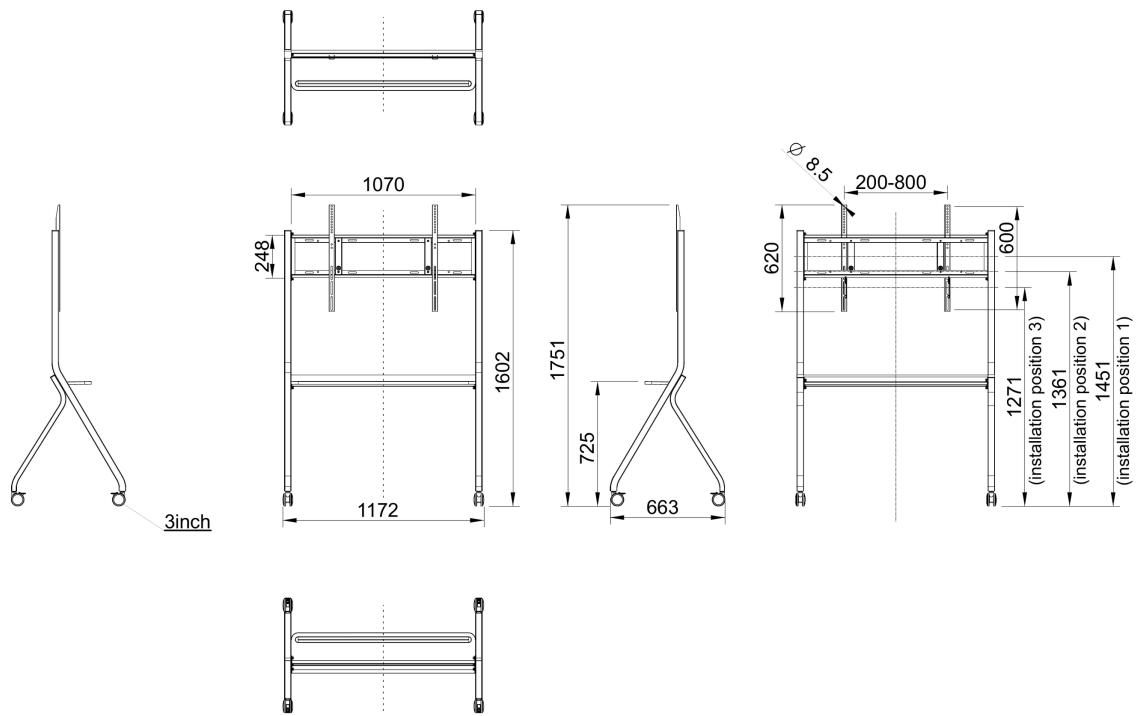

In addition it features smooth-rolling 3-inch omni directional lockable wheels, an integrated media shelf/ accessory tray, and built-in cable management for a tidy setup. The sturdy construction ensures stability during movement and use. Designed for landscape installation (portrait supported for displays up to 700mm wide). Easy to assemble and move, it offers a reliable, flexible solution for modern mobile presentations in any indoor environment.
