

Ergonomic and space-saving support for monitors up to 49"

Ideal for professionals who value flexibility, the DS6001C-B1 supports monitors weighing up to 27 kg and measuring up to 49". The gas spring arm allows smooth, effortless height adjustment for better posture and all-day comfort.

The bearing tilt head ensures the screen stays steady and properly aligned, even when repositioning.

Quick to install, it features a detachable VESA plate and topside mounting for hassle-free setup. A built-in rotation stop prevents contact with walls or partitions, making it a smart ergonomic choice for modern workspaces.
