

Ergonomic and space-saving support for monitors up to 32"

Designed for professionals using a dual-screen setup, the DS4002C-B1 provides smooth, precise positioning for two monitors up to 32" and 12 kg each. The mechanical spring system ensures consistent, controlled movement that boosts comfort and productivity throughout the day.

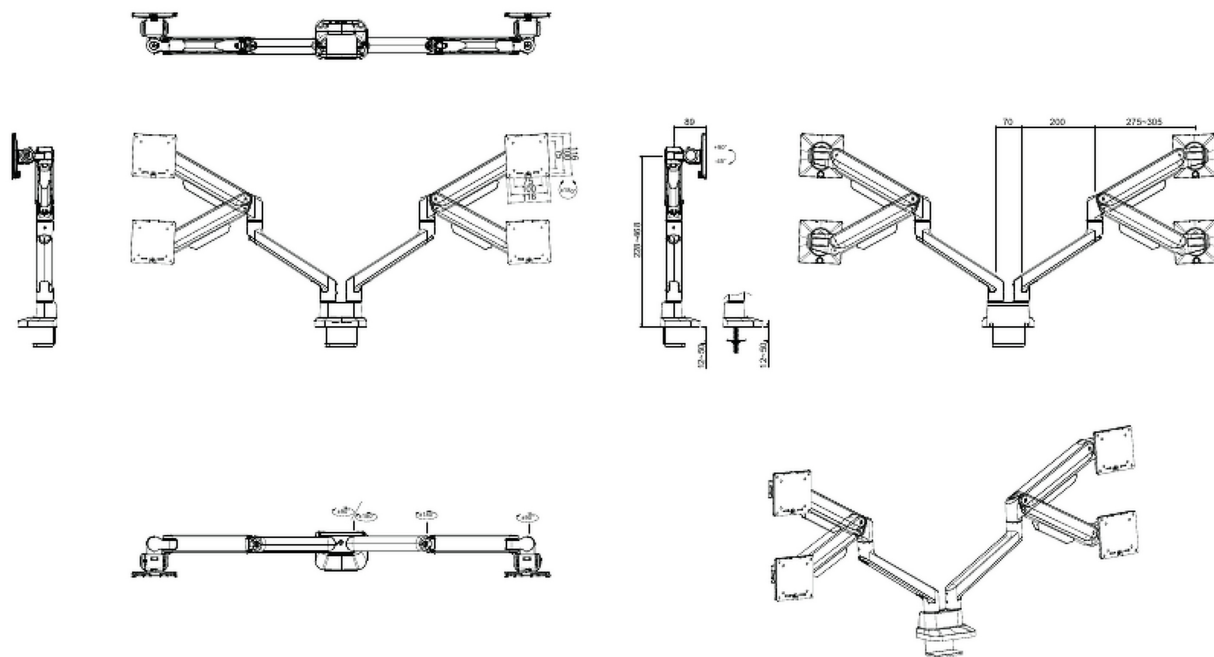

The bearing tilt head keeps both screens stable and correctly angled during height adjustments, preventing sag or drift. With tilt and pivot rotation, it supports multitasking, reviewing or collaboration. Installation is quick with a detachable VESA plate and topside mounting making setup effortless.

01 TECHNICAL SPECIFICATION

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Type                | mechanical spring desk mount for desktop monitor |
| Number of screens   | 2                                                |
| Desk monut          | desk clamp or desk grommet                       |
