## Universal wall mount, max 800x600mm. 125kg

All universal wall mounts are VESA compatible. Besides wall mounting, our wall mounts can be used for ceiling mounting in combination with a tube set, and directly fastened to the stands thanks to its 170x140mm mounting pattern. The mounts include fastening material to secure the mount to the display. Furthermore they include a safety bar or fixation, offering you protection from theft; a padlock is to be added separately.
