

A height adjustable 32" IPS Panel Technology monitor featuring WQHD resolution

Looking for the perfect monitor? Choose the best all-around IPS Panel Technology guaranteeing perfect colour reproduction with wide viewing angles. Meeting the demands of both graphic design and the modern work place, the 32" XB3270QS with a high WQHD resolution offers the perfect solution for productivity, design and data analysis. The height-adjustable stand ensures you can adjust the screen position to your preferences, and the flicker-free panel with blue light reducer function reduces eye fatigue. This high-end feature-rich panel is the new hallmark of the discerning user across many sectors.

WQHD

With true WQHD 2560 x 1440p resolution your monitor is ready to display high definition images. This means you can accommodate more information on your screen, i.e. over 76% more in comparison to a 1920 x 1080 monitor.

IPS Technology

IPS technology offers higher contrast, darker blacks and much better viewing angles than standard TN technology. The screen will look good no matter what angle you look at it.

01 DISPLAY CHARACTERISTICS

Diagonal	31.5", 80cm
Panel	IPS Panel Technology LED, matte finish
Native resolution	2560 x 1440 @60Hz (WQHD, 3.7 megapixel)
