

15.6" portable monitor with USB-C

The 15.6" ProLite X1670HC-B1 - equipped with IPS panel, delivers accurate and consistent colour reproduction with wide viewing angles. DisplayPort Alt Mode (DP Alt Mode) allows direct connection to a USB-C computer. This professional solution brings flexibility, comfort and mobility, all provided with a neoprene sleeve for safety on the move.

Portable solution

For anybody working remotely, with limited space and for those constantly on the move, an easily portable monitor provides the perfect solution without losing on performance. Simply connect the display to a USB-C equipped laptop, tablet or PC and increase your display size with comfort.

IPS Technology

IPS displays are best known for wide viewing angles and natural, highly accurate colours. They are especially suited for colour-critical applications.
