

## IFP INTERACTIVE DISPLAYS

## INFORMATION

## 65" 4K UHD Google EDLA Certified IFP Interactive Display – Where Design Meets Performance

Elegance and functionality come together in the ProLite TE6515A-B2AG. This 65" 4K UHD panel not only delivers precision and performance, but also brings a premium look to modern classrooms and collaborative business environments.

With its button-free front panel (only a discreet power button), integrated pen holders, and a stylish fabric-covered bottom bezel that subtly houses high-quality front-facing speakers, the TE6515A elevates the visual experience of any room. It's more than a tool—it's part of your space. Coupled with DeepContrast-IR++ technology and Palm Rejection, it offers fluid and natural writing on the Optical Bonding LCD, eliminating parallax for an intuitive feel.

Powered by iiWare 21E with Android 14 (EDLA Certified), the display integrates effortlessly into Google environments. Features like WiFi 6, BT 5.0, NFC reader, and PIR motion sensor add a layer of connectivity, energy efficiency, and access control. With [iiControl](#) (DMS), [iiShare](#) and integrated [EShare](#) app (wireless screen sharing), the TE6515A-B1AG promotes seamless teamwork—whether you're presenting, teaching, or brainstorming.

The TE6515A-B2AG isn't just an interactive display—it's a centerpiece for connection, creativity, and collaboration, all wrapped in a refined, modern design.

## Aesthetics which Elevate Any Environment

Modern, minimal, and made to elevate any environment—this design blends seamlessly into classrooms and boardrooms alike. It's not just a display; it's a statement. Clean lines, premium finish, and a presence that enhances focus and professionalism without stealing the spotlight.

## Google EDLA Certified

Google Enterprise Device License Agreement allows Google apps, accounts, files, and collaborative tools to be easily accessed directly from the Google EDLA certified iiyama displays, offering seamless integration with the Google ecosystem and the entire Microsoft 365 suite for enhanced user experience, productivity, and collaboration in all environments, especially the education and enterprise sectors alike.

## iiWare 21E (Android 14 OS)

Empower your presentations with iiWare 21E, featuring Google EDLA, iiControl (DMS), iiShare (Wireless Presentation), WhiteBoard, Cloud Drives, iiBrowser and file manager via an intuitive and user-friendly software that allows you to effortlessly manage, customize, and access various applications with ease.

## Quick-Radial-Menu

This feature provides a quick way to operate the interactive display. Long press with five fingers to bring up the Quick Radial Menu. Users can directly select the frequently used apps in the apps menu and place them in the Quick Radial Menu.

## SPECIFIKÁCIÓ

### 01 KIJELZŐ JELLEMZŐI

|                                      |                                                                                                           |
|--------------------------------------|-----------------------------------------------------------------------------------------------------------|
| Dizájn                               | Vékony káva                                                                                               |
| Átló                                 | 64.5", 163.9cm                                                                                            |
| Panel                                | VA                                                                                                        |
| Touch Glass                          | Anti-Glare glass with Anti-Gloss treatment, Anti-Bacterial coating, Ultra Smooth writing, Optical Bonding |
